Filed : October 1, 1997

Please delete pages 40 - 51 of the Specification which correspond to the computer program listing.

REMARKS

Pursuant to the telephonic request made by Examiner Hayes, Applicant has amended the specification to insert an incorporation-by-reference to a computer program listing appendix and delete the pages containing the printed computer program listing.

Pursuant to 37 C.F.R. §1.96 Applicant submits herewith a computer program listing appendix on two identical compact discs in MS-DOS text format.

No new matter has been added by this amendment. The amendment merely contains the incorporation-by-reference to a computer program listing on a compact disc that was previously submitted in printed format.

If the Examiner has any questions with respect to these amendments, she is respectfully requested to call the undersigned.

Respectfully submitted,
